

CALL FOR ABSTRACTS

Submission Deadline: December 31, 2025

We invite abstracts for the upcoming CME under the following categories:

- Original research
- Case series
- Case reports

Three outstanding submissions will be selected for oral presentation and recognised with prizes.

Abstract Guidelines:

- Include *title, authors, affiliations*, and the *presenting and corresponding author's e-mail*.
- Abstract content should be in English, using Times New Roman, size 12, fully justified, and limited to 250 words. You may include no more than two diagrams or graphical representations if required.
- The presenting author must be registered for the conference, and specify their mentor faculty author in the submission details.

How to Submit: At <https://cmepedrheumaiims.com/abstract.php>, by December 31, 2025.

Peer Review:

All submitted abstracts will undergo a peer review. Authors of the top three abstracts will receive a confirmation email. Further presentation details will be shared upon selection.

Awaiting interesting submissions,
